

“Landair made Halo standard on all new trucks and we've seen a **5% increase in fuel efficiency and double-digit improvement in tire life**, and that is due to Halo keeping our tires at optimal inflation.”

Matt Duncan, Director of Maintenance and Procurement, Landair

halo
TIRE INFLATOR

Boost Fuel Efficiency 1-2%

Extend Tire Life ~15%

Maximize Uptime

“One of our drivers ran over a large bolt that caused a hole in one of the tires. Halo kept tire pressure until the driver could pull over. We are seeing **fewer road calls from trucks running Halos** because they are no longer experiencing these blowouts.”

Matt Duncan, Director of Maintenance and Procurement, Landair

Landair has been running Halos since 2016 and has seen a **5% increase in fuel efficiency** on their trucks outfitted with Halos.

LANDAIR'S HALO EXPERIENCE

Improved fuel efficiency

Quick and easy to install

Peace of mind

Now standard on all trucks

Less road calls from drivers

Low maintenance
