

“We’ve measured a **1.5% increase in fuel economy since outfitting our fleet with the Halo Tire Inflator**. Early test data also indicates enhanced tire wear performance. It is clear to see why we trust Halo to optimize our fleet tire program.”

Christopher Trajkovski, Vice President, Transportation, Fleet Maintenance & Assets

Transporting perishable items requires on-time deliveries and little tolerance for downtime. Halo Tire Inflator reduces downtime and allows C&S Wholesale Grocers to perform at optimum efficiency.

Boost Fuel Efficiency ~1.5%

Increases Safety

Extend Tire Life

Easy to Install

Maximize Uptime

Provides Peace of Mind

“Halo Tire Inflation has increased fuel economy and tire life, and reduced downtime in our fleet. **The technology is best-in-class.**”
