

“We haven’t seen any drive tire issues on our trucks equipped with Halo. Running Halo resulted in longer tire life.”

Heath Griffith, Director of Maintenance

Contact Aperia to see what Halo can do for your fleet.

Greenbush Logistics has been running Halos for over 2 years and currently have 280 units installed on 70 trucks. Since installing Halo, Greenbush has not had a single tire-related CSA violation.

Boost Fuel Efficiency ~1.5%

Extend Tire Life ~20%

Maximize Uptime

Increases Safety

Easy to Install – 5 Minutes

Provides Peace of Mind

“Another benefit of Halo is that it is almost maintenance free, it simply does what it does. And what it does is very beneficial.”

Heath Griffith, Director of Maintenance
